Public Notice
Important Notice
Pharmaceutical
Recall
Sierra Leone

Public Notice: Quality defect on Pharmaceutical products manufactured by Noronic Pharmaceutical Pvt. Ltd; Block No. 763/2, Village Indrad, 12th June Ta. Kadi.2024 Dist-Mehsana, Gujarat, India.

Bring to our attention that certain pharmaceutical products manufactured by Noronic Pharmaceutical Pvt. are being suspected to have quality defects, potentially affecting the products safety and efficacy. Some of the causes might be high humidity and temperature fluctuations in storage areas. It is important to note that this situation might arise even after the product has been evaluated and granted marketing authorization. The affected products have been recalled and an investigation is currently ongoing at the Pharmacy Board of Sierra Leone to determine the cause and extent of this defect.

Call for Consumers
If you possess any pharmaceutical products manufactured by Noronic Pharmaceuticals PVT Ltd, please discontinue use immediately and return the product to your pharmacy or your healthcare provider.
